2019 Gothar Program Application Form

The AFA Gothar program is a 2-year course designed by AFA Gothar Board for experienced and dedicated AFA members who wish to serve the AFA and their community in the capacity of Gothi/Gythia. This position of service to the folk includes many responsibilities which include, but are not limited to: Leading Blotar, leading marriage ceremonies, funerary rites, naming ceremonies, and other rituals for the community, organizing and participating at AFA and community events, assisting with the formation of new kindreds, providing counseling services, and educating those not of our faith, or new to our faith, and many other forms of public service that are generally expected of clergy in this day and age. This is not an easy responsibility, but it is a very honorable path. As ordained AFA Gothar in most states and regions you will be given legal rights *and* legal recognition for ceremonies performed and services rendered to their community.

ABOUT THE PROGRAM

The curriculum is an in-depth, advanced study which has been organized in a collaborative manner akin to the time-tested apprentice-mentor dynamic. A mentor is assigned to each new student to help facilitate the learning experience. Through the course of the program, the student can expect reading and composition assignments, regularly scheduled phone and/or video conference discussions and educational discourses, ritual performances before leadership, spiritual tasks and assignments, testing, and more.

As a student your propriety, professionalism, patience, timeliness, dependability, communication skills, and aptitude will all be under constant review. It is important to remember that students *can and have* failed the program by not maintaining the aforementioned attributes to a high and acceptable standard. Upon graduation, new Gothar are required to fulfill an obligation for the program and/or AFA, such as mentoring a new student. AFA Gothar are expected to remain active with the AFA on their home grounds, online, at AFA events, and in their communities.

DO I QUALIFY FOR THE CLERGY PROGRAM?

The AFA Gothar Program is designed for folks who already give their time and service to the folk in a comparable capacity. A minimum of 5 years of Ásatrú experience, and no less than 2 years of membership with the AFA is suggested, but not required. Being experienced means that you are *past* the fundamental groundwork of Ásatrú: you know/have led rituals, have a comfortable familiarity with the mythology, philosophies, history, social stratifications, and know and agree with the AFA's Declaration of Purpose and Mission Statement. Applicants are expected to be an active member of the AFA in good standing in the Ásatrú community, to show obvious and consistent support and dedication to the AFA, to be a self-sufficient and contributing member of society, and to maintain a professional and well-composed demeanor *at all times*.

PROGRAM COST

The cost of the program is \$100 USD payable upon acceptance into the program.

Before submitting your application, we request that you think long and hard about the duties that you will need to perform, and if you can fulfill the role of Gothar in its entirety. If you have any questions, please contact the Gothar Coordinator at Gothar@runestone.org
